**EMY
REYES**

VARIETY IS THE SPICE OF HIS SEX LIFE

Dear PURELY 18,

Whoa! You guys are erotic geniuses. Of all the chicks in all the skin mags I've seen lately—and that's a lot (of chicks and mags)—Emy Reyes in your last issue was, by far, the hottest cutester ever! Not a knock, but most of the models in all these books look the same—cookie-cutter white blondes or brunettes. Sure, they're pretty, but kind of on the bland side. Emy is one exotic-looking dish. I'm not sure of her heritage (Mulatto or Hispanic, perhaps), but whatever she is, it's spicy. Oh, those tits, too. I hope they're real—I know they're real juicy! I'd love a taste not only of her tits, but the dark meat of her pussy! Please, guys, don't stop here. Let's see more of a mixed bag of young ladies from now on!

**George P.
Casper, WY**

Dear George,

Your erotic wish is our command. You can count on us to spice things up by providing you with a varied variety of vivacious vagina. We like to provide the erotic with a dash of the exotic. Different strokes for different folks!

TO SIN FOR LYNNE

Dear PURELY 18,

As always, your last issue was superb. I'm still cumming from it. Of all the chicks I whacked it to, though, Lynne was my favorite. Hell, you can't get anyone who embodies the "Purely Legal" brand more than this young blonde who looks like she should be selling those cookies door-to-door, if you know what I mean. She's so innocent-looking, with her long, straight blonde hair and smooth pubes. Yet the way she posed, so open and wet and inviting...all I can say is, apparently, there's still hope for the youth of today!

**Reggie E.
Lafayette, LA**

LYNNE

Dear Reggie,

You're right about that. Thankfully, in this day and age, young girls aren't shy about proclaiming their vibrant sexuality. They're not modest as ladies of a bygone era were. We men can take comfort in that fact, and you can bet that PURELY 18 will take advantage of today's "immodest modesty" to the nth degree!

SNOWFLAKE

PURE AS A DRIVEN SNOWFLAKE

Dear PURELY 18,

C'mon. Trying to put one over on us. Didn't work. In your last issue, when I opened the mag and saw the table of contents and the name "Snowflake" jumped out at me, I figured she was going to be a skinny, lily-white-blond chick. But when I turned to her spread, it was "You're shitting me" time! This tempting Snowflake was a brunette with a great body and full, natural boobies. And she acted real nasty, like someone had flung mud all over natural pure-white snow. I'd give anything to be able to stick my tongue out and capture this snowflake on it. I wouldn't let it out of my mouth!

**Peter R.
Skokie, IL**

Dear Peter,

We should have known better than to think we could fool our sharp readers! But you must admit that Snowflake was wet and sticky, no matter her complexion. And yes, she is a dirty young girl—anything but pure as the driven snow!

YOU CAN BANXXX ON PERFECTION

Dear PURELY 18,

I've never written to a magazine before, especially a "dirty" magazine. But I had to, since I haven't been able to stop "reading" your last issue, and it's been a couple of weeks since I've had it in my grasp. I hope I can say this, and it's certainly meant as a compliment, but when I first saw the pics of Stella Banxxx, I thought I was looking at a copy of "Playboy." Purely Legal, you should be very proud! Stella is one of the

**STELLA
BANXXX**

most gorgeous lasses I've ever seen. Literally, she's perfect, from her shiny blonde hair to the tips of her tender toes. I'm sure I'm not the only guy who's surrendered buckets of cum over Stella. If I had to spend the last day of my life with any person in creation, past or present, it would be Stella!

**Zeke M.
Kalamazoo, MI**

Dear Zeke,

No offense taken! Thanks for the compliment. We here at PURELY LEGAL like to think that we're the trendsetters when it comes to featuring the hottest, most beautiful girls to be found in print! We got tons of letters lauding our choice of Stella Banxxx for the mag. And yes, we might have filled a bucket—or three—ourselves while selecting the shots of Stella!

LIFE IMITATES ART

Dear PURELY 18,

Your last issue cost me a lot more than the cover price. After viewing it, and fantasizing over and over again to the pictures of Victoria Blaze

and Tess, I had no choice but to re-enact the scenario. I guess I can admit it here; I hired two young 18-year-old "escorts" and really lived out the pictures. The two were brunettes, one in a ponytail, the other with straight hair, just like Victoria Blaze and Tess. Let it be known, I didn't do anything—I just watched. I directed the two girls through their paces. I told them what to do, picture for picture, and they responded perfectly. When we got to the act of one fucking the other with the vibrator, I lost it. I came like I had never cum before! I highly suggest to fellow readers that, if they can afford it, they re-enact the hot photos you feature!

**T.D.
Fort Wayne, IN**

Dear T.D.,

For those who can't afford to follow your suggestion, the next best thing to doing it live is living out the fantasy in your own mind, page after page. We pride ourselves on being fodder for readers' pud-pounding pleasure. We make sure to select young girls like Victoria Blaze and Tess in order to push the necessary buttons. All modesty aside, something tells us we're doing a pretty good job!

LIFE IMITATES ART II

Dear PURELY 18,

Let me first state, I don't buy your magazine. But my friend, Luke, does. He literally ran over to my house with your last issue. That's because one of the girls you featured, Zoey, is the spitting image of my girlfriend, Cara. (Now you know why I don't

ZOEY

32175

have to buy your magazine.) Truth be told, I actually look somewhat like the dude who was pictured with Zoey. I couldn't believe the resemblance and I showed the issue to Cara. Being the nasty, young, 18-year-old slut I so love and adore, she came up with the idea of doing our own little "photo shoot"—without the camera (unless you count my smart phone). Cara, like Zoey, is a beautiful blonde with a perfect body. And I put that body to good use, as we fucked and sucked just like the couple in your photos did. Obviously, just another excuse for us to get it on (though we don't really need one), it was a lot of fun to make believe we were the models fucking and sucking.. Maybe, if you're nice, I might send in pictures of Cara. Then you'll see just how smokin' she is!

**Jaime P.
Landover, MD**

Dear Jaime,

Send us the pictures, and Cara just might find herself in a future issue! And if you want to pose with her, hey, a little uninhibited girl-boy action never hurt. In fact, it might spur other readers to follow suit. Guys, if your chick is smokin', send us some shots. We'll make sure to put them to good use (and you can take that any way you want).

DIRTY, YOUNG THING

32938

bet you think all the girls here look alike? We're all young, pretty, and wholesome. Well, we may look similar, but we're not alike! I'm one dirty young girl. As soon as I turned 18, I got my belly button pierced, and that's not all I'm going to have pierced. I can't wait to have a clit ring. That way, when I'm fucking my boyfriend, I can feel his long prick rubbing against my joy button. Did I mention I love to cum? I do. In between fucks, I think dirty things to help me get off. Just like the dirty things you're thinking about me right now.

A Young Girl's Diary

What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Tammy**, a curious 18-year-old, as she ponders her world of... what else...**SEX!**

"get in the mood." Lying in bed, I pulled down my PJ's and explored down there. My curvy looked real sweet in the mirror. I'm young and kinda hairless, and lots of girls my age think their coochies look ugly, but not me. I appreciate it for what it is. Hey, it provides maximum pleasure, so how bad can it be? I couldn't help but start touching myself. I did want to wait for Ricky, but sometimes you just have to have a taste of something you shouldn't. I began to touch myself with my now-adult fingers strumming my now adult clitty—and soon, I gave myself my first *Purely Legal* orgasm. It felt so good, and I left a big wet spot on my mattress.

I guess it's true what they say: "The more you have, the more you want." I was hornier after I came than before, but that was okay,

Dear Diary,

Today is the first day of the rest of my life! I turned 18, and I totally feel different. For months, I've been wondering what it will feel like to be an adult, to be legal—to be able to do things I could never do before. My life will never again be the same. I know it's like being thrust into another galaxy—and this was just my first taste of a freedom I've never known before.

Yes, Dear Diary, today is the day I've thought about for so long. Today is the day I truly entered womanhood. I lost my cherry! Yippee! I don't have to write things down to remember, because I'll never forget today—but when I'm old and gray, I want to look back in here and see if my memory jibes with things as they actually happened.

Okay, we can gloss over the lame family stuff, when Mom and Dad came into my bedroom and woke me with a cake—vegan, of course—with 18 candles. I guess it was a nice touch, a little sentimental, but nice. Truth be told, I couldn't wait till the "units" left, because that's when I knew my birthday would really begin—and did it ever!

As soon as I was alone, I called Ricky. Yeah, I know, all my friends say I can do better—he's so lanky and needs to let his hair grow—but they don't know what I know. Shhh! Not that I saw anything before today, of course, but let's just say, Ricky packs his jeans with meat any man would be proud to boast. My girls would be so jealous.

While I waited for my boy toy to come over, I decided to

since Ricky was due over any minute. Leaving the door opened for him, I went into the bathroom to get ready for business. As I was brushing my teeth—lost in the thoughts of my naughty little mind—I felt a touch on my shoulder. It was Ricky. He let himself in. Now he was in the bathroom with me, and I realized that this was going to be dirtier and more “adult” than I imagined.

We started tonguing, and he may look skinny, but he's really strong. He took a firm hold of me and pulled me in tightly as our tongues did some dirty dancing with each other. In between sloppy licks, he whispered, “Happy birthday. I've got a big gift for you to unwrap!” I couldn't wait, because I already knew what the surprise was going to be!

He pulled down my panties, and I could feel the size of his sausage double inside his jeans. I could tell he was impressed by my bare beaver, and when he saw how wet I was, he chuckled, “Man, you really are looking forward to my birthday present.” I sure was, but I didn't want my first time to be a DVR-fast-forward moment. I wanted it to be slow, sweet, meaningful, and something I'd want to watch over and over.

My lover licked his lips, and then lowered me down onto the cold, hard tile. The shiver I got down my spine was nothing compared to when he spread my legs and darted his tongue between my pussy lips. He began eating me out, and it was such an adult thing to do—so un-macho-teen-boy like—that I got even wetter than I was before. I have nothing to compare it to, but when Ricky's tongue scraped against my insides, it sure felt great; even though I'm sure he didn't know what he was doing—his tongue made me squirm. When he began twirling it around

my clit, I thought I was going to go crazy!

Jeez! I was so hot, and I so wanted to pay back Ricky for his thoughtfulness, that there was only one thing to do. I may not eat meat anymore, but when it's throbbing and alive, I can make an exception. I eyed his big, thick dick, and my pussy got even wetter, so I began to use his manhood like my own personal sex-flavored lollipop. First, I let my tongue bounce up and down the shaft—and I could feel his veins bulging against my mouth. Then, I began to plop the meaty head in and out of my mouth. Ricky was going, “Yeah, yeah” and I liked those lyrics.

When I took the whole thing inside my mouth and he screamed, “Don't stop!” I downloaded that song in my mind forever!

My small mouth had a hard time fitting all of Ricky's rod

inside, but I did my best. I pushed my head up and down and let my tongue swirl and twirl all around. I was real proud of myself and the way I was sucking dick! My best friend and "teacher," Amy, would have been so proud (but more about that some other time, Dear Diary).

Ricky's dicky looked like it was ready to burst. There was only one possible thing to do to calm it down. Okay, this was the main event—I was about to graduate to womanhood. Facing Ricky, I took hold of his dick in my hands, and then lowered my cunny down. I was so very wet that it didn't hurt at all when I pushed my lips down on his prick. When he pushed forward, I felt a "pop," and my head felt woozy. Once Ricky was locked inside, I did what seemed to come naturally. I bounced up and down on his thing. Leaning back as far as my body could go, I squirmed around and grasped hold of his dick with my coochie muscles. Then I sort of did it Gangnam style—dancing back and forth and all around, not letting his dick go. We looked each other square in the eye and our lust had a language all its own!

I figured, "If this felt so good, why not try another position?" So, I bounced up—still using my tight pussy to keep

his dick inside. With Ricky lying on the tile, I basically sat on his dick. It was cowgirl time, and I was about to bust me a Bronco. I bounced up and down on his hard-on, and he played with my erect nipples while I took control of the fucking. He pumped in and upward and I met him on the downward thrust and we continued like this until I felt something weird. Dear Diary: Even though I just aced English, I can't

describe in words what it felt like, but my whole body turned to mush, my knees felt weak, and my head was dizzy. I felt warm all over, and sort of out of my own body. Then, I felt Ricky's sticky juice burst into my own wet cookie and that made me feel even weirder—but in the most pleasurable way of my life!

Dear Diary, let's just say my 18th birthday was a total success. If this is what it feels like to be a woman, I can't wait to get older and feel even more womanlike! I'll never forget Ricky, or this day—no matter what else happens the rest of my life. Now, diary, I'm going to say good night, because I sort of have to live out the day again—and it's gonna be finger lickin' good!

BEHIND THE SCENES OF LOLLIPOP GIRLS 2

Digital Sin

Starring: Trinity St. Clair, Tracey Sweet, Mischa Brooks, Mandy Armani,
Danny Mountain, Michael Vegas, Xander Corvus
Directed By: Eddie Powell

Representing the playfulness of youth—director, Eddie Powell, has this tasty porn fetish smothered and covered. Promising to tickle your fancy with a hand-selected legion of lip-smacking ladies—expect to have your sweet tooth satiated with four delicious Lollipop Girls. With plenty of teases, hardcore positions, and coverage—this is candy worth sinking your teeth into.

Extras: Packed with plenty of heart pounding extras, the DVD is included with two bonus sex scenes starring Riley Reid and Melanie Rios—pulled from previous releases. Also good, are the sexy images and the sneak peek at a few more attractions that are sure to wet your whistle.

MISCHA SWEET LICKER

Starting with a lick—Mischa Brooks enjoys her colorful lollipop. Swapping licks between her candy and Michael Vegas's cock, she takes pleasure in devouring both. Looking like a teenage dream—Mischa's sweet pussy has no problems making Michael explode!

MANDY JAW BREAKER

The follow-up scene opens with Mandy Armani flirting with the camera while licking a jawbreaker lollipop. Making her pussy stretch in every position—Danny Mountain keeps this frisky kitty screaming and creaming throughout—especially in missionary position.

TRINITY HORNY BUNNY

Also teasing the camera and Michael Vegas is Trinity St. Clair, a mousy brunette with a heart-shaped lollipop. Demonstrating her stellar cock-pleasing skills on Michael, Trinity does a great job of administering expert oral before bouncing up and down his cock like a horny bunny.

TRACEY CANDY SUCKER

In another encounter, Tracey Sweet enjoys sucking on her candy. With a healthy body, flowing blonde hair, and ripe titties—Tracey gives her all to Xander Corvus. Strewn across the couch like a cuddly blanket, Xander splices into her slit, getting the stickiest results in doggie position. Arrf!

LILY & ALISHA

Sharing Is Caring

Alisha and I have been best friends since first grade. We've always shared everything—and I mean everything! Now that we're legal, and of fucking age, we're even sharing guys—and that includes Alisha's hot new boyfriend, Dan. When she told me what a great fuck he was, I knew I had to test-drive him. She was keen on the idea, so the three of us got together. We're now a steady trio. Dan loves it when the two of us give him oral. Ashley sucks on his sweet prick, and I gobble up his bountiful balls. It's a real hot time. It's sure great to have a best friend like Alisha!

ANITA

CUTE AS THEY CUM

I'm cute. I'm all about cute—you don't have to tell me I'm cute. I live to play cute. That's how I get guys, older guys—like you—to give me anything I want, do anything I want, take me anywhere I want. However, you know the one thing I want—more than the latest tablet or a dozen pair of Uggs—is to have an unending supply of hard cocks. I can't help it. You know how cute young girls are. We love to experiment. I just get off on seeing, tasting, feeling all different kinds of man-candy. I like them big and small, white and black and tan; I like them filling my mouth and stuffing my pussy. I just like them. So if you want to make a cute girl like me happy, take out your cock and let me see it. Yeah, that's too cute—like me!

NAUGHTY OFFICE

By Naughty America

Article & Images
By Jeff Hubris

31644

Naughty America director, Shel Black, synthesizes plot scenarios out of thin air while shooting stills or setting up gear. This scene is for a website called *naughtyoffice.com*, where all "storylines" occur, as one might expect, within similar parameters. Mr. Black's creative process is sometimes enhanced by the input of others, so he has summoned our porno thespians Kristina Rose and Jordan Ash into an office-like corner of this porn-set house to provide improvisational energy toward the refinement of today's narrative.

Red-hot, white-hot, burning hot Kristina Rose, an 18 year-old basically just got into big-girl panties, is pissed because her co-worker Jordan has skipped lunch with her, but gets really insulted upon catching him "reading" PURELY LEGAL at his desk! He's in the doghouse now. Holy shit, she still wants to have lunch! They improvise upon the theme, searching for the money shot.

"I don't like Chinese food," quips Ash, trying to avoid the situation.

"How do you feel about Mexican food?" Kristina sleazily replies.

HAHAHAHA! Golden!

"Say that!" Shel Black screams. "That's AWESOME!"

What has happened here, dear reader, is that Kristina Rose has humorously capitalized upon her Mexican heritage to deliver the highly treasured pivot line beyond which no further dialogue is needed. It's all sucking and fucking from here on out. Much time and effort has just been saved. Sweat has been equitized.

In Pornoworld, just like in real life, you're always looking for the sure bet, a situation requiring the least amount of worry that promises the best possible outcome. The universe, of course, will always figure out a way to fuck you over in a new, out-of-left-field, surprise way that you never anticipated. This is a Universal Truth. If you are an individual who, for whatever reason, is in the position of hiring people to fuck in front of the camera, one way to minimize your downside would be to employ

Kristina Rose as a vagina wielder. The epitome of the young-girl-next-door with real tits--as natural as an 18-year-old's can be--she keeps it rolling, whatever it is.

For me anyway, unaugmented fun bags have always been the way to go. I am aware that there are detractors out there who find this attitude distasteful. The pressures existing in Pornoworld for the most part do not support natural breasts that are on the "non-globe" side as being attractive or marketable. Bizarre chest dirigibles are spoken of in reverential tones. Kristina Rose strikes back.

"Listen. I'm too young to have fake boobs!" she says adamantly while stepping into her definitely-out-of-character businesswoman get up. "Hey, maybe when I get old and hit 22 or 23. But not now. They're small and whatever, but they're perfect. My nipples are amazing and everything about them is perfect. So many young girls fuck up their perfect boobs."

That's because Pornoworld is a forever-corrupting, surreal dream conducted by

the dark forces of the universe where human foible is always subservient to fantasy. We can't stop. Give us more.

Preliminary dialogue is completed. The filthy and extremely perverted, soul-de-destroying issue of PURELY LEGAL is dispensed with. Kristina assumes a beaver-revealing position on Jordan's desk. He pulls aside her black panties and starts eating. I have to admit she looks kinda hot in this secretary outfit. What makes it hotter is the irony of the situation. Kristina might be the secretary's daughter, but in no way, shape, or form would you expect her to be the buttoned-up one who pours the boss' coffee. Obviously, she graduated from high school with an A in dick-tation! From a sexual radiance standpoint, there is quite a lot to work with here. There is the body, of course; but then, there's that cherubic young face, a face that screams party fuckability. It never turns off.

Every fuck has a mood. Even phony, money-motivated porn fucks take on their own energy where reality is impinged upon by other factors. The bang-out starts on the chair and ends up on the floor. Kristina Rose screams with "joy" several times in different positions, most notably during reverse cowgirl on the chair and open to the camera spoon on the floor. Blah blah blah. That's what we're in business for. Right? The overstated, screaming orgasm. I'm so sure--well, maybe not so much when the actress is still young, horny, and still somewhat unjaded.

KRISTINA ROSE: I'm working a lot. I'm working every week. I've been told it's good to be so young and so busy. I always take a little bit of time off after AVN to de-funk and de-porn for a minute. I just kind of came back from a mini-vacation. I basically took a vacation hanging out around my house, getting shit done that I needed to get done. What I usually do is take like a week off at home and just chill. The first two days I really clean my house up. Then the next phase of my vacation is that

I go somewhere and I usually like to go to New York and do the exact same thing that I do here. I go there and I usually stay at a friend's place or sublet a place. I do the same thing I've done every day since it's been legal to do so (though the glint in her eye says she might have experimented slightly before the legal part). Every day I wake up in the morning and smoke weed and I get a tall boy and Dunkin' Donuts in the morning, then I go to lunch with my friend. You know, it's the typical teen stuff. Yes, I still do think of myself as a normal young girl. We're drinking beers and hanging out, then later on I go back and go shopping and make plans for later on that night. I just do that all week and live a normal life basically somewhere else.

My personal sex life lately has been a little dry to be quite honest because I was seeing this guy for a while and he was the only guy I was seeing outside of work. So I kind of broke that off, which was cool, because I had a lot of work and I had

some work postponed so I really wasn't getting laid that much.

I know what it takes physically to make me fucking cum, but there are dudes that do it on a different level, which is usually what I like. I can cum automatically, and someone can just do what they need to do to make me cum at work, which is cool, but outside of work I'm a little more interested in how you can get me to do that without touching my pussy. It's a game I've been playing since I started having sex. Maybe when I'm a little older, I'll just be into the physical part. But at my age, I still like to play games. So I like someone being able to bring me to that level in my mind. If you do work in a sex industry kind of job, your tastes obviously change because you're able to fulfill a lot of fantasies and where do you go from there? Some people take it to a really freaky spot and I think women usually take it to a mental spot. I've always been a mental fuck.

Pimps don't care if their bitches fuck dudes because they know they have a hold of their mind on a different level. That's why I think I'm generally attracted to pimp-ish guys. I like a man that can get inside my head. Pimponomics. That's a class I wish I could have taken.

KRISTINA: I am particular with talent. I don't want to work with anyone who skeeves me out and I really don't need the money that bad if that's the case. Maybe when I'm older and have been in the business a lot longer, my attitude will change. Also, after the HIV thing, I just decided that there are certain kinds of people that I'm not going to work with, boys and girls. I'm not fucking with that shit. I'm going to go ahead and set the example and if other bitches are going to do shit that I don't feel comfortable doing, by all means go and do it. When you're young, it's your time to shine.

Last year my goal was to get started feature dancing and I wanted to start learning how to do my future after porn. After all, I'm not going to be this young forever. I want to take it to another level this year. I'm taking photography classes and a sewing class because I want to make my own costumes for dancing. I'm just trying to do little things like that.

I was going to do a porn site, but then I decided that it wouldn't be lucrative enough. I'm going to make a blog and keep people up-to-date. That way, I think I'll garner young fans who don't follow the typical stereotypical image of a porn junkie.

I also do a lot of modeling for the different streetwear companies. I've been doing shirts and stuff with them, which is really cool, since it's more of what I'm into on a personal age level. If anyone wants to hire me for anything, they just have to call me and I'm always game to do something. I love to do different things. That's why I love dancing so much because I can go and meet the fans. It's so cool to meet them and it's so fun because they just want to have a good time and tell you how badass you are. I'm fucking in love with myself, so I just want to hear how badass I am.

When I'm on set, it seems like I always see the same ten or 15 girls at a time. I'm going to see Asa and Alexis and I'm going to see Skin. I'm going to see Gracie. I'm going to see the same ten girls I always see. We need more new young blood. I hope I'm setting a good example for other girls to follow in my fucksteps.

I'm pretty domestic. Definitely not age appropriate. Like seriously, when I'm not at work, everyone makes fun of me because I'm always at home and I don't ever want to leave. My friends are like, "Come to this party or just come over and smoke with us," and I'll be like, "No, just get on Skype and we can smoke together." Most of the time I'd rather just hang out, just me and Alexis Texas hang out and smoke and do our little crafts and shit that we like to do. Like we like to scrapbook. Everything we do when we hang out centers around us getting high and making some kind of craft or building something. Young girls do like to have fun, you know.

Alexis is my best friend. We talk every single day and I stay over at her house all of the time. She's my "wife" and she calls me her French husband. I proposed to her

on the Eiffel Tower when we went there. We like baking and cooking and we like to sing karaoke and watch all of our little shows. We like the Housewives of Atlanta and Beverly Hills, the hip-hop wives, the basketball wives, all of the reality shows. We watch all of that crap. We've been watching all of the basketball games recently. We go shopping a lot and we're starting this year to do duo shows together, where she does her thing and I do my thing. I'm excited about that.

KRISTINA: If you look at porn from back in the Seventies and Eighties--back in my parents' day--there were all different kinds of boobs and you saw these girls who were born with perfect boobs. What happened? Plastic surgery is what happened. They have perfect boobs and they're butchering them. I will not be that girl. I will be proof that you can be successful without titties. People told me that I would never be successful or a big-name girl because I did not have the right body type. I was baby-fat chubby, or my boobs weren't big enough, or whatever. I'm like, "Bitch all you have to do is do anal really good and you'll be successful." It really doesn't matter what you look like. If you're kind of cute and young and you do anal really good, you're there. I had so many people tell me crazy things when I first got in the industry, like really crazy things. I got told the reason why this other girl's rate was so much higher than mine was that she was a white girl and I was a Latina girl and they don't pay that much for Latinas. I was like, really? I don't even speak

Spanish. I was never going to be a box cover girl because I didn't have the right look. Spiegler told me that no one would ever pay me what my rate is. I actually wanted it to be a lot more than it was, but he brought my cute ass down. After a bunch of people started booking me, I made him tell me that I was right.

Porn is not a dating service, it's a job. I would never fuck a tranny, so I'll never do that on camera, and I would never in my life fuck a gay guy, I don't want to do that either. I love my gay friends, but I would never want to stick their dicks anywhere near my prime, young vagina.

I've done scenes with guys that I've never heard of before who I end up looking up online later and figuring out who they were in the gay world and it made perfect sense to me why their dick was limp the whole time and why it was a whole struggle to do a whole entire scene. I understand the problems and I'm about it. I'll suck his dick and do what you need to get you up, but if I don't have what you need and if what I have is turning you off, then I have a problem. I don't want to do it. I've done scenes like that and I hate that shit and I won't do it anymore. Just because I'm young doesn't mean you can take advantage of me. I've turned bitches down, too. These girls aren't exempt either. If I hear about them doing heroin or something, I'm not going to fuck with that.

My sexual fantasies are really scenario-based. Like one of them is, I want to go to the bus stop where they deposit all the prisoners when they get out of jail and

be like, "Hey, I'll give you a ride!" and get fucked by some dude who just got out of prison, who hasn't fucked a bitch in so long. Also, I have a fantasy about getting fucked into a gang, where I live in this house with all the dudes in a gang and I have to fuck all the dudes whenever they want. I'm like the house bitch. We just drink 40s, smoke weed, and I make burritos and fucking fuck these dudes in the gang.

I'm sure when I get older, my fantasies will evolve. But for now, I've been watching a lot of "Lockup Raw," so all of my fantasies are centered around thugs. "Lockup" is every porn girl's porno. All of my girlfriends always love watching "Lockup: or "Gangland."

Kristina blows Ash's tube steak to a pop and we're done here. "Great job, guys," says Shel Black after shutting down his camera.

"Every time you cum, I can really feel it," Jordan says after Kristina wipes his load off her face.

"Yeah," Kristina answers. "My pussy does the death grip on it. I'm not getting laid in my personal life that much, so my only outlet for sex is work. Every time I see Jordan it's usually because I'm requesting him because my talent has been so bad that I'm putting my foot down. I want to get FUCKED! Every young girl wants to get fucked!"

"The limp-dickers fail about every three scenes," says Jordan.

"Guys have the hardest job, though," says Kristina. "For a girl, you just have to act more or add more lube or whatever. For a guy, you have to keep wood."

"Yeah," replies Jordan, "but I have a porn generator in my brain that is unparalleled, even by the Internet."

"When I'm working with a guy and it's not working for whatever reason," adds Kristina, "I'm thinking about other people or other things that were good, or I'm thinking about GUCCI BAG!, GUCCI BAG!!, GUCCI BAG!!!"

Jordan walks into the kitchen for a few moments, then reappears. "Deprivation is the key," he says approvingly. "Your pussy and my dick fit each other perfectly. I really appreciate it when you come to set horny. I want to know what your rate is so I can hire you more."

It would be different if I were making this shit up to make everyone look good, but I'm not. Actual erection-clamping, female orgasms have been confirmed on this porn set.

"It makes you want to bust, man," Ash continues. "It makes you want to cum when a girl's cumming. I'm like, 'Oh my god, I'm going to spew!'"

I guess you could call this an optimal porno situation, with the girl actually cumming like crazy during the sex scene, where, as we all know, a naturally or unnaturally lubed, non-orgasmic vagina does the job just fine. Kristina Rose works a lot. She's young, fun, fit, and super-horny. Every man's dream.

Do the math.

RONNIE

GINGER RISING

"So, you want to see if the fire on my head means fire in bed?" Veronica questions, stripping down to her cotton white panties. "I have no hair to prove, but I can tell you that I'm a fire in bed for sure," she says, licking the hulking toy next to her bed stand.

Getting the heft slick and moist for her pussy, it slides in with ease—letting herself gyrate while she twists it inside of her.

"Mmm...this feels good, but I think I can use a little more stuffing," she moans, grabbing a glass dildo—licking it before letting it tease her backdoor. With the prop slipping deeper inside her pucker, Veronica starts to undulate on the bed—wetting the sheets with her goo gash as her flaming hair rips on the sheets.

"That's it," she musters, "That's all I needed to show you what a firecracker I am in the sack. Wanna test me out?"

SHIRAZ LADY

SPRING AWAKENING

32939

Don't you just love spring break? You do if you're a hot young girl like me! I decided on Cabo, and when they told me my roommate was named "Billy," I figured I'd be sharing with some redneck dude. Wrong! Turns out, Billy just spelled her name a little unladylike—but there was nothing unladylike about her yummy bod! We hit it off right away and couldn't keep our hands off one another. Playtime even extended to the pool. Obviously, the guys didn't mind watching—and we didn't care. The more, the merrier. We're already planning a summer vacation together. Dildos in Disney. Oh, yeah!

GEEK MEETS SEX FREAK

32940

I admit it, I'm a science geek, a real nerd. I was that way in high school, and I'm like that now in my freshman year in college. I'm a geek of the best kind, though. I'm an always-horny, can't-cum-enough geek. I invented my very own Dildo Fuck Machine! Yup, I conceived this great gizmo. It's electronic, and I control the speed, angle, and motion of the dildo. I can cum all day and night if I want to, and I don't know any boys who can please me like that. Who said being smart isn't sexy? No one who's ever met me, that's for sure!
